Mason Ellsworth, a farmer living in Okemos, while preparing his gun to go hunting, on Friday, accidentally shot himself through the neck, severing the jugular vein. He lived but a few moments after the fatal shot. He was a single man about thirty-eight years of age.

The Muskegon Rifles ordered forty dark blue uniforms recently from Chicago parties, and they will make their initial appearance in them at their military ball on Christmas evening. If they don't fit any better than did the Lake Shore boys' suits they won't appear very pretty.

If the city continues to grow at the rate of the past four years she will have a population of 20,000 by the first of January, 1885. It is also probable that the houses of the city will aggregate \$20,000 in the year 1885. Free postal delivery is, therefore, not many months distant, at the farthest.—*Muskegon Chronicle.*

The Elk Rapids Progress invites Fitzgerald, of the *Grand Union*, to go up there and see the chemical works, adding, in the same connection, that "200 gallons of alcohol are being made a day now." If Elk Rapids is to get away from being a town, it can find several editorial brethren in Grand Rapids to go to prison. What's the matter with Pough, of Stanton?

It was in Ann Arbor, in 1800, that Rev. Henry Colebrook introduced, at the dedication of a new church, the first instrumental music ever heard in a Western Methodist church of worship. The innovation so horrified the stern fathers of the church that the matter was brought up in conference, which fully supported Mr. Colebrook. After half a century's service in the church Mr. Colebrook died in Philadelphia last Thursday.

## Read What Van's Magic Oil or King

of Pain Meets Here or the People

We have used Van's Magic Oil for internal and external applications, in case of Colds, Coughs, Cuts, Burns, Bruises, etc., and find none better. It is especially adapted to children, as it can be used with safety and satisfaction, and we earnestly recommend it to parents.

Muskegon, Sept. 20, 1884.

J. W. EDDY.

I have used Van's Magic Oil for Neuralgia, and it has proved to be satisfactory, as it has cured me entirely; also our next door neighbor was cured by it. Joshua Kierly, by internal use for Sore Throat, combined with a severe Cough and Hoarseness; also a man by the name of Stofial Kewitene was cured by it of a very severe Lamé back. I can never say too much in praise of your Magic Oil.

Grand Haven, April 25, 1884.

Yours truly, JACOB DESPOLDER.

We have used your Magic Oil for several years, and would not like to be without it, as it is a good family medicine, viz: Burns, Bruises, Sore Throat, Colds, etc., hence I truly recommend it to the public.

REV. E. VANDERHURST.

Patterson, N. J., Feb. 11, 1884.

Muskegon, Mich.

MR. N. G. VANDERLINDE—We have used your Magic Oil with great satisfaction. One of our children was taken sick (so-called) diphtheria. Of course we employed a doctor, but the child grew worse every day. One morning the doctor called with four more of his profession; and consulted. If the child would be alive in the evening they were to open the child's throat and cut the phlegm out. This I did not approve of, but as there was no hope of the child's recovery, I consented. Finally our neighbor, Mrs. F. Vanderwerp, called with a bottle of your Magic Oil, and asked if we would use it—it would cost us nothing. We gave the child three or five drops internally every hour, and poulticed the soles of its feet with ointment, and bathed its throat well with Magic Oil, and when the doctor came in the evening he wanted to know what we had given the child, as it breathed so much easier. I told him we used Van's Magic Oil. He said keep right on using it as that was better than he could do. I have thanked Mrs. Vanderwerp a thousand times for her kindness, and I sincerely thank you for your valuable medicine. Yours truly,

MRS. A. D. FAIR.

Muskegon.—I would say, I have known the effects of Van's Magic Oil, in domestic practice, always with good effects, never with bad effects. Have prescribed it in my practice; find it a very good and safe medicine.

W. H. DELAP, M. D.
